vs.)	MEMORANDUM AND ORDER
)	
HAROLD W. CLARKE, et al.,)

Defendants.)	

I note that filing no. 103, the plaintiff's Motion for Protective Order and Return of Privileged Materials, is still pending, according to the court's records. However, in filing no. 111, I directed the parties' attorneys to find some realistic and reasonable solution to the problem of identifying the plaintiff's attorney-client privileged material for whatever level of protection such material is to be afforded in future searches of the plaintiff's cell. Accordingly, I assume that the matter has been resolved. Filing no. 103 is denied as moot.

SO ORDERED.

DATED this 29th day of November, 2006.

BY THE COURT:

United States Magistrate Judge
